Setting You Up for Success

In accordance with federal requirements established by the Department of Education, we need to verify that you are participating in your course by the end of the fourth week of classes. It is our hope that by completing this assignment you will have a foundation for success moving forward in this course. Additionally, we will use this assignment to confirm your eligibility to receive financial aid.

[Academic Integrity Pledge](#)

Please read through the Academic Integrity Premise carefully so that you know your ethical responsibilities in this course and throughout your academic career. Then check the box below and click submit to agree to the Academic Integrity Pledge.

I have read through the Academic Integrity page carefully and know my ethical responsibilities in this course and throughout my academic career.*
